

Our pathologists and staff serve and reside here in our St. Louis community. We understand that every decision we make, every test we perform, impacts the lives of our neighbors, our physicians, the families we serve and the professionals we work with in partnership.

*WCP Laboratories, Inc.* has a fleet of couriers servicing the St. Louis Metropolitan area and surrounding counties including Illinois. We pride ourselves in providing our clients with flexible and reliable service. Our clients have the option of same-day specimen pickup, **STAT** and **RUSH** pickup and same-day delivery of supplies (Monday-Friday). We are conveniently located at I-270 and Page Avenue.

We have **RESULTS** before other labs receive the specimen.
